SALEM - 636 014

**HOLY CROSS
INTER SCHOOL**
KALOTHSAV
2023

20th & 21st July 2023

Dear Principal/Coordinator,

Holy Cross International School (CBSE), is a Catholic institution of school education established and managed by the Brothers of Holy Cross, India. It aims at imparting quality education that is based on the Christian Vision of Life and also to create leaders, entrepreneurs and professionals who can contribute towards the development of the Society, State and the Nation at large. At HCIS, students are encouraged to become who they wish to become. They explore possibilities to find out who they would like to become in the future. We provide students the opportunities and space to explore and to prepare for an unclear and ultimately challenging future, characterised by a rapid pace of change, by learning how to learn.

It is our maiden Kalothsav Inter-School Cultural Competition which comes to provide all of us with an opportunity to 'stand and stare'. It is an opportunity and a platform to display the cultural dexterity and to nourish the spirit with the splendiferous palette of multi-flavoured events. We are conducting a two-day fun packed mega cultural extravaganza for all the CBSE schools of Salem.

The main objectives of this fest are:

- To provide opportunities to the students to value and preserve the rich cultural heritage of our country.*
- To cultivate and showcase student's talent in various activities like Singing, Dancing, Mime, Mono acting, Folk Song, Street Play etc.*

It is our wish that all the participants undergo an experience of life in its miniature form through Kalothsav 2023.

**- Bro. Kulandai Samy V CSC
